Reference:--

Prohibition was introduced in South Kanara district on 1-10-47. In connection with the organisation of propaganda meeting on the inauguration day of prohibition, a motor vehicle was considered necessary. As the Propaganda van transferred to the prohibition department in that district was not in working condition then, one lorry belonging to the Highways Department was used on two days i.e. on 30-9-47 and 1-10-47 for the above purpose. The Assistant Engineer Highways has now billed the Collector South Kanara for Rs.96/- (Rs.Ninety six only) being the hire charges of the lorry at Rs.48/ per day.

2. The Chief Engineer(Highways) Madras who was consulted in the matter has stated in his reference cited, that either the expenditure of Rs.96/- may be sanctioned or alternatively Government may waive the demand made by the Highways Department as a special case. In the circumstances explained in para 1 above and as the expenditure was found essential during 1947-48 in connection with the inauguration of prohibition in that district, the Board requests that the demand made by the Highways department may kindly be ordered to be waived as a special case.
